## Silver Glow

*"Capturing the light of the moon  
in your space"*

Strong materials and simple lines  
combined with soft shadings,  
compose a harmonic result. Offer  
a stylish, but sophisticated look.

## Golden Era

Get inspired and bring together, modern with classic and eternal gold mixed with blue essence. A new trend is rising through modern design and golden variations combined with velvet fabrics.

## Authentic Comfort

*"Return to your center ... Return home"*

Create a comfortable space based on natural wood / stone materials and cozy seating. Live your life enjoying true moments of relaxation and calmness.

## Warm Senses

Easy living inspires people who inhabit a place full of small things done with great love.

# Color Expression

Earthy shades with a bit of color bursts, carpets and accessories, turn your home into the ideal place that keeps your heart warm.
