

An outdoor furniture set is arranged on a wooden terrace. The set includes a sofa with a blue and white patterned ottoman, two armchairs, and a matching ottoman. The furniture features geometric patterns in shades of blue and beige. A round coffee table with a white metal frame and a light-colored top holds a small potted plant. The terrace is bordered by a white stone wall with two large arches. In the background, a large infinity pool overlooks a blue sea and distant mountains under a blue sky with light clouds.
